CWGGF Scholarships

The California Wine Grape Growers Foundation (**CWGGF**) is offering six scholarships in 2004 to graduating high school seniors. Students may study the subject of their choice. CWGGF is awarding two types of scholarships. The first two scholarships provide \$1,000 per year for four years (provided studies continue to be completed satisfactorily) at any campus in the University of California or California State University system. The last four scholarships that are awarded provide \$500 per year for two years at any California community college.

Who May Apply

Only the children of vineyard workers employed in the 2003 or 2004 winegrape growing season are eligible to apply. However, children of wine grape growers may request a waiver from the eligibility requirement based upon financial need. Current directors or employees of **the Foundation** or their children are not eligible to apply.

You must be a high school senior graduating in 2004. *Students currently enrolled in college are not eligible.*

The Selection Process
