

## Crop Insurance

CAWG has endorsed Pan American Underwriters as our preferred provider of crop insurance to our grower members. Since this is a Federal Program, costs and coverage's are the same no matter which agent you choose. Pan American is a great supporter of CAWG and our many programs that benefit you &ndash; our grower members. Please consider them when you evaluate your crop insurance needs.

&ldquo;CAWG Members received over \$4 million in crop insurance payments due to the 2008 frost damage&hellip;&rdquo;

### Protect your vineyard with Frost Insurance

- Insure \$800 per acre for only \$16 per acre.
- Combine with regular crop insurance to fully protect your vineyard against frost damage.
- Use the insurance to negotiate a better rate with your lender.

CAWG highly recommends crop insurance for our grower members. The premiums for multi-peril crop insurance are subsidized by the USDA and our highly affordable. Combined with the low cost frost only insurance there is no other product to guarantee your vineyard income for 2009.
