

## Workbook

California Code of Sustainable Winegrowing Practices

Workbook

CAWG and the Wine Institute have developed a voluntary self-assessment workbook for the Code of Sustainable Winegrowing Practices. The Introductory Chapter is available as a PDF file below.

Introductory Chapter

Action Plan Chapter

Resources Chapter

In the near future, portions of the workbook &mdash; including the evaluation sheets, comments, corrections, and suggestions sheets, and an electronic method to confidentially submit your evaluation sheets &mdash; will be available online.
